Joe Ochoa Roofs and Even More achieves Gold Standard Certification

Stafford, Texas | July 16, 2024 — Joe Ochoa Roofs and Even More, a leading roofing services company based in Stafford, Texas, has been awarded the prestigious Gold Standard Certification from Consumer Business Review.

This esteemed recognition is a testament to the roofing company’s unwavering commitment to quality, reliability and exceptional customer service.

Consumer Business Review’s rigorous certification process involves a comprehensive evaluation of a company’s customer satisfaction, licensing, insurance coverage and overall business practices. Joe Ochoa Roofs and Even More successfully met and exceeded these stringent standards, demonstrating its dedication to excellence.

“We are honored to have received the Gold Standard Certification from Consumer Business Review,” Joe Ochoa Jr., Vice President, Joe Ochoa Roofs and Even More, said. “This recognition validates our commitment to providing top-notch roofing and event services to our valued customers. We strive to build long-lasting relationships based on trust and reliability.”

Consumer Business Review’s certification process is highly competitive, with only the top-rated service companies in Metro Houston earning this distinguished honor. By surpassing both the initial research phase and the homeowner survey, Joe Ochoa Roofs and Even More has proven its position as a leader in the roofing industry.

Consumer Business Review’s Gold Standard Rating Certification verification process includes auditing, reviewing and verifying a service company’s customer satisfaction, license status, liability insurance coverage and business practices. Only companies that pass the first phase of research move on to the second phase — homeowner survey results.

“Achieving the Gold Standard Certification is a significant milestone for our company,” Ochoa said. “It reinforces our dedication to delivering exceptional results and exceeding customer expectations. We are grateful for the trust and support of our customers, and we look forward to continuing to serve our community with the highest level of professionalism.”
